Notes

1. AIIB's Policy on the Project-affected People's Mechanism (PPM) allows AIIB to rely on a co-financier's IAM in the situations specified in the Policy. This list is intended to assist the public in informing itself of the applicable IAM governing each Project cofinanced by AIIB with another financier. This list is intended to be a living document, to be updated periodically as new co-financed projects enter AIIB's portfolio, and as arrangements with AIIB's co-financiers evolve over time. Questions on this document may be referred to the PPM Secretariat in CEIU.
