1. China Government *has received* financing from the Asian Infrastructure Investment Bank(AIIB or the Bank) toward the cost of the Liaoning Green Smart Bus Demonstration Project,and intends to apply part of the proceeds toward payments under the contract for Jinzhou Electric Bus Procurement.
2. Jinzhou Public Transportation Co.now invites sealed Tenders from eligible tenderers for
 - 2.1. Project procurement goods: 100 units of 10.5-meter secondary stepping pure electric buses, 78 units of 10.5-meter low-entry pure electric buses, 20 units of 11-meter custom pure electric buses without standing area, and 10 units of 7-meter pure electric buses without standing area.
 - 2.2. Project-related services: driving operation and maintenance training; loading and unloading, transportation and insurance.
 - 2.3. Project location: Jinzhou City, Liaoning Province
 - 2.4. Contract delivery period:: 35 days - 60 days after contract signing.
 - 2.5. The bidder shall provide documentary evidence that it meets the following financial requirements: audited annual financial statements (balance sheet, income statement) for the most recent three years (2019-2021) reflecting the financial position of the bidder, showing

long-term profitability. As a minimum requirement, the bidder's net assets (calculated as the difference between total assets and total liabilities) should be positive for each of the last three years.

- 2.6. The bidder's minimum average annual turnover calculated from payments received from ongoing or completed contracts for the last three years (2019-2021) must not be less than RMB 420 million or USD 54 million.
- 2.7. The bidder must demonstrate that it has (or has at its disposal) financial resources such as: liquid assets, unrestricted fixed assets, lines of credit and other financial assets, excluding advance payments for the contract, which should also meet: a cash flow of not less than RMB 84 million or USD 11 million.
- 2.8. The vehicle manufacturer should have at least more than 5 years of experience in producing pure electric city buses.
- 2.9. In the past 5 years (2017-2021), the bidder has completed at least 2 similar vehicle supply contracts, and each contract amount is not less than 130 million RMB or 17 million USD. Bidders are required to provide supporting materials for the above performance including but not limited to providing copies of contracts, notification of award, acceptance certificate, owner's contact information (including landline), etc.
- 2.10. The manufacturer of the main model (10.5m pure electric bus) provided by the bidder shall have an annual sales volume of not less than 1,500 units of pure electric city buses in the past three years (2019-2021). If the bidder is a domestic manufacturer, it needs to provide the sales volume certificate issued by China Association of Automobile Manufacturers in the bid document, and if the bidder is a foreign manufacturer, it needs to provide a copy of the sales contract.
- 2.11. After-sales service (including agents): All domestic suppliers shall set up or have authorized maintenance service centers and or special maintenance service stations that have been operating for more than two years in Liaoning, China.

Detailed qualifications requirements are set out in Section III Evaluation and Qualifications Criteria of the tender document.
