### 1.3.2. Projects under the AIIB COVID-19 Crisis Recovery Facility

AIIB discloses information on investment projects supported by its COVID-19 Crisis Recovery Facility (CRF) in accordance with the paper on the decision to support the Crisis Recovery Facility.

In the case of a policy-based lending (PBL) and a development policy financing (DPF) cofinanced with the Asian Development Bank (ADB) or the World Bank, a nondisclosed Memorandum of the President (MoP) is used in place of a Project Document. AIIB discloses information on the operation via the PSI. For liquidity support and PBLs and DPFs that support policy actions taken by the beneficiary government, and are not targeted to specific investments, client environmental and social documentation disclosure requirements do not apply.
