GOVERNMENT OF ASSAM
ORDERS BY THE GOVERNOR
PUBLIC WORKS ROADS (DEVELOPMENT A-1 BRANCH) DEPARTMENT

NOTIFICATION

The 20th January, 2021

No. DA5R.80/2020/3.-The Governor of Assam is pleased to order "Land acquisition through direct purchase by way of negotiated settlement for improvement and upgradation of State Highways and Major District Roads under Asom Mala Program and Externally Aided Projects (EAPs)" as enunciated in the enclosed document in Annexure 1. It will come into force with effect from the date of publication in the Assam Gazette and will remain in operation till such time as the State Government may consider fit and proper. The Government also reserves the right to make any amendment to the Policy from time to time.

Annexure-1

Land acquisition through Direct Purchase by way of negotiated settlement for improvement and upgradation of State Highways and Major District Roads under Asom Mala Program and Externally Aided Projects

1. Government of Assam has initiated the flagship program Asom Mala for improvement and widening of State Highways and Major District Roads. It would be a large and prestigious long-term road infrastructure development program which in addition to State funded works, would also include several Externally Aided Projects (EAP) under its umbrella. The works under Asom Mala would involve big highway contracts with substantial land acquisition. The readiness criteria for EAPs require completion of 50% of land acquisition for a project before loan negotiation. Ministry of Road Transport & Highways (MoRTH) stipulates 90% land availability before starting the works.
2. The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (RFCTLARRA) enacted by Government of India, with effect from 1st January 2014, superseded all previous land acquisition Acts and Rules in India. It includes provision for Rehabilitation and Resettlement (R&R) of project affected families and persons in addition to cost of acquiring land. The State of Assam made the Assam RFCTLARR Rules 2015 on the provisions of the RFCTLARR Act, 2013 with a number of sequential compulsory processes, involvement of number of bodies as well as statutory waiting time between different processes. Acquisition of land as per the general procedure laid down in the said Act and Rules require a very long time from Notification to possession of land.
3. Asom Mala being a flagship programme of Government of Assam, calls for expeditious acquisition of land for speedy implementation of the programme. Section 46(1) of the RFCTLARRA has been considered for direct purchase of land for the programme.
4. Social Impact Assessment And Resettlement Action Plan Report (Draft)

ANNEXURE 10: TENTATIVE TOR OF RESETTLEMENT ACTION PLAN IMPLEMENTATION AGENCY

[The RP Implementation Agency may be any legal national firm including cooperative or NGOs]

1. Background

The Asom Mala program will be executed by the Chief Engineer (EAP), of PWRD, GoA. A Program Management Unit (PMU) at Guwahati is formed under the Chief Engineer (EAP). A Project Coordination and Management Consultant (PCMC) has been selected to assist the PMU for planning, execution and monitor the Asom Mala program. The Detailed Project Report (DPR) of roads is being prepared by the DPR Consultants. There will be Authority Engineer/ Construction Supervision Consultants (CSC), who will act as designated Engineer for the civil works contract with contractors to execute the civil construction. The Asom Mala program will be implemented through the Project Implementation Units (PIU) constituted as district level PWRD divisions.

The Assam Secondary Road Network Improvement Project (ASRIP), through loan assistance from the Asian Infrastructure Investment Bank (AIIB), is one of the projects under Asom Mala program. A Resettlement Action Planning Framework (RPF) for ASRIP, is being prepared with Direct Purchase Policy of the state, relevant national and state Acts, Rules, Policies and Guidelines and Environmental and Social Framework (ESF) of AIIB. The RPF outlines objectives, policy principles and procedures for land purchase, land acquisition, compensation, mitigation measures and other assistance for Displaced Persons (DP) or Displaced Families (DF) including the mitigation measures of the non-titled Displaced Persons.

The detailed Social Impact Assessment (SIA) will be prepared based on complete enumeration of Displaced Families (DFs) and socio-economic data/ information of impacted DFs generated through sample surveys. The SIA of the DFs will be taken up for each road so as to determine the magnitude of displacement and potential losses, and identify vulnerable groups.
