ANNEXURE 08: TENTATIVE TOR OF RESETTLEMENT ACTION PLAN IMPLEMENTATION AGENCY

[The RP Implementation Agency may be any legal national firm including cooperative or NGOs]

1. Background

The Asom Mala program will be executed by the Chief Engineer (EAP), of PWRD, GoA. A Program Management Unit (PMU) at Guwahati is formed under the Chief Engineer (EAP). A Project Coordination and Management Consultant (PCMC) has been selected to assist the PMU for planning, execution and monitor the Asom Mala program. The Detailed Project Report (DPR) of roads is being prepared by the DPR Consultants. There will be Authority Engineer/ Construction Supervision Consultants (CSC), who will act as designated Engineer for the civil works contract with contractors to execute the civil construction. The Asom Mala program will be implemented through the Project Implementation Units (PIU) constituted as district level PWRD divisions.

The Assam Secondary Road Network Improvement Project (ASRIP), through loan assistance from the Asian Infrastructure Investment Bank (AIIB), is one of the projects under Asom Mala program. A Resettlement Action Planning Framework (RPF) for ASRIP, is being prepared with Direct Purchase Policy of the state, relevant national and state Acts, Rules, Policies and Guidelines and Environmental and Social Framework (ESF) of AIIB. The RPF outlines objectives, policy principles and procedures for land purchase, land acquisition, compensation, mitigation measures and other assistance for Displaced Persons (DP) or Displaced Families (DF) including the mitigation measures of the non-titled Displaced Persons.

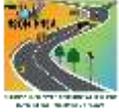

The detailed Social Impact Assessment (SIA) will be prepared based on complete enumeration of Displaced Families (DFs) and socio-economic data/ information of impacted DFs generated through sample surveys. The SIA of the DFs will be taken up for each road so as to determine the magnitude of displacement and potential losses, and identify vulnerable groups. The Resettlement Action Plan (RP) and Indigenous Peoples Plan (IPP), if required, will be prepared on the findings of the SIA and the guidelines of the RPF by ascertaining cost of resettlement and formulate a resettlement and rehabilitation plan for implementation for each road project falling under Involuntary Resettlement.

The Chief Engineer (EAP) intend to engage Consultancy services for implementation of Resettlement Action Plans of ASRIP Projects. The detail of the Consultancy packages and respective timeline for implementation of Resettlement Action Plans under these packages are provided in Annexure-1A and Tentative Staff Requirement for each package is provided in Annexure -1B of these terms of reference.

ANNEXURE 09: TERMS OF REFERENCE FOR MONITORING AND EVALUATION CONSULTANTS

(Only a tentative outline)

A. Introduction

The PWRD intends to hire the services of an independent consultant to monitor and evaluate implementation of the RP being carried out by the PIU with the support of the Implementation Agencies deployed. Monitoring and evaluation will include, but will not be limited to, (i) the progress and effectiveness of the implementation of the RP; and (ii) the evaluation of income restoration and post-resettlement conditions of the displaced persons (DPs) and affected communities, including host communities.

B. Objectives and Requirements of Monitoring and Evaluation

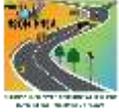

The objectives of the M&E consultancy services are (i) to assess the implementation of the RP; (ii) to monitor the schedules and the achievement of targets; and (iii) to evaluate whether the outcomes of social development objectives of the project are being achieved. The objectives of monitoring and evaluation are to assess whether the LARP is implemented on schedule and within budget and whether the goals and principles of the LARP are achieved. Specifically, monitoring and evaluation will focus on the following aspects of the DPs' situation and the resettlement process.

- Social and economic situation prior to and after land acquisition and/or resettlement;
- Timely disbursement of funds;
- Functioning of the grievance redress mechanism
- Environmental conditions;
- Social adaptability after resettlement;
- Rehabilitation of vulnerable groups
- Special items related to the vulnerable groups;
- Condition and quality of land temporarily acquired when it is returned to the original land users;
- Measures taken to restore affected livelihoods; and,
- Living conditions and economic status of DPs following resettlement in comparison to the “without project” scenario.

C. Scope of Services

The Consultant will undertake to do the following assignments:

- Undertake the supervision of RP implementation to ensure the delivery of entitlements to DPs in accordance with the provisions and procedures of R&R Policy;
- Advise and guide the RP Implementation Agency to implement the RP in accordance with their Terms of Reference;
- Assist the PIU and field units to oversee the implementation of RP;

- (v) Participate in periodical meetings held between PIU and RP Implementation Agency/ district administration to assist the PIU for successful outcomes of the meetings;
- (vi) Undertake reviews on behalf of PIU of all documents and reports related to land acquisition and resettlement received from the RP Implementation Agency and consultants and advise the PIU for taking appropriate decisions on such reports;
- (vii) Assist the PIU to respond to the AIB on any matters related to the implementation of RP and related matters;
- (viii) Provide certification prior to invitation of bid of the milestone confirming the completion of land acquisition, payment of compensation, mitigation of resettlement impacts and reconstruction of community properties in the respective stretches;
- (ix) Ensure synchronization of R&R implementation with civil works timetable to avoid time and cost over runs. This should be done in close co-ordination with the construction supervision consultants;
- (x) Assist PIU in reviewing any additional reports submitted by the consultants or RP Implementation Agency during the implementation;
- (xi) Prepare annual reports on the implementation of Resettlement Action Plan including land acquisition and payment of compensation;
- (xii) Organization of periodical training in the implementation of RP and delivering of entitlements, consultations etc. to PIU staff and RP Implementation Agency as necessary.

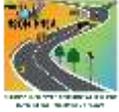

Monitoring and evaluation will include (i) the verification or establishment of a socio- economic baseline of the DPs prior to actual {land acquisition, physical displacement/relocation, loss of assets or disruption of businesses (as relevant)}; (ii) verification of internal monitoring data and reports; (iii) the regular monitoring of their {resettlement or displacement/relocation (as relevant)} and adjustment during Project implementation; and (iv) evaluation of their situation for a period of {one or two years} after {land acquisition or displacement or relocation (as relevant)}. In addition, qualitative and quantitative evaluation will be made on the sustainability of living conditions of DPs. Investigation will include consultations and observations with DPs, IAs, local officials, village leaders, as well as a quantitative sample survey of at least 20% of displaced households. Focus group discussion will be conducted with male and female DPs, and vulnerable groups.

If the findings of the EM indicate significant compliance gaps, the EM will work with the EA and PIU to prepare a separate corrective action plan (CAP) in cooperation with the relevant stakeholders, to address pending or new LAR impacts. The EM will monitor and report on the implementation of the CAP.

The consultant will carry out impact assessment four times during the contract period, one at the end of each year of the contract period. Each evaluation will cover all AFs who have spent more than 6 months after receiving compensation or assistance or both.

For concurrent Impact Evaluation the M& E Consultant shall:

- i. Verify whether the objectives of resettlements have been realized, particularly the changes in the in the living standards;
- ii. Impact assessment is to be compared with the baseline values for key socioeconomic as given in the RP. If such information is not available information based on the same time of survey, has to be collected on recall basis;

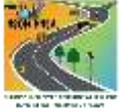

- iii. To assess whether the compensation is adequate to replace the loss assets;
- iv. To assess how the compensation has been utilized;
- v. Assess the perceived benefits and losses of resettlement
- vi. Assess the level of satisfaction of the various assets provided as part of R&R implementation;
- vii. Based on the impact assessment, suitable remedial measure is to be proposed for any shortcomings and;
- viii. Remedial measure if DPs are not able to improve their living standards.

D. Monitoring Indicators

Monitoring will include process, output and outcome indicators. The monitoring framework and formats stipulated in the RPF and RP will be adopted. The following general indicators will be covered.

- i Disbursement of entitlements to DPs and enterprises/businesses: compensation, relocation, housing, cultivated farmland, and employment as specified in the LARP.
- ii Provision of relocation options: the displaced persons must move into chosen resettlement/ housing option at least one month before physical displacement/relocation; for those opting for self-construction, payment of compensation and provision of housing sites should be completed at least three months before physical displacement/relocation; the compensation for construction of houses should be equivalent to the replacement cost; the DPs must receive their entitlements and allowances on time.
- iii Development of economic productivity: re-allocation of cultivated land, land restoration, job opportunities available to DPs, number of DPs employed or unemployed.
- iv Standard of living: Throughout the implementation process, the trends in standards of living will be observed and the potential problems in the way of restoration of standards of living will be identified and reported. The Monitor will carry out a comprehensive socio-economic survey after the completion of resettlement implementation to document the standards of living and the conditions of the DPs after resettlement. The survey will be updated annually.
- v Restoration of civic infrastructure: all necessary infrastructure should be restored at the resettlement sites at least up to a standard equal to the standard at the original location; the compensation for all infrastructure should be sufficient to reconstruct it to the same quality
- vi Effectiveness of Resettlement Action Planning. Adequacy of assets measurement, entitlements, sufficiency of budget, and timeliness of mitigation measures.
- vii Level of satisfaction of DPs: level of satisfaction of DPs with various aspects of the resettlement program; the operation of the mechanisms for grievance redress will be reviewed and the speed and results of grievance redress measures will be monitored.
- viii Social adaptability and cohesion: impact on children, indigenous peoples/ethnic minorities and other vulnerable groups, public participation, DPs' attitudes and reaction to post resettlement situation, number of complaints and appeal procedures, implementation of preferential policies, income restoration measures, and improvements in women's status in villages.
- ix Other Impacts. The monitor will verify if there are unintended environmental impacts and impacts on employment and incomes.

E. Special Considerations

Special attention will be paid to women, indigenous peoples/ethnic minorities/groups, as well as the poor and vulnerable groups during monitoring; these include:

- i The status and roles of women: Closely monitor any change in women's status, function and situations. At least 40% of DPs surveyed will be women.
- ii Differential impacts on indigenous peoples/ethnic minority groups. Closely monitor the socio-economic status of indigenous peoples to ensure that they have not been further marginalized. Monitoring indicators should to the extent possible be disaggregated by gender and ethnicity.
- iii Care and attention to vulnerable groups: Closely monitor living conditions of the poor, the elderly, the handicapped, female headed households and other vulnerable groups after resettlement, to ensure that their livelihood is improved.
- iv Monitoring and evaluation will provide information on the utilization and adequacy of resettlement funds.
